VISA - RESIDENCE PERMIT - CVEC FEE

STUDYING IN FRANCE

Once your long-stay student visa has been issued and you are on French soil, you have 3 months to validate your visa online, on the following website:

administration-etrangers-en-france.interieur.gouv.fr/

This compulsory process is quick and easy, and it will ensure your stay complies with French law. You will need the following to hand:

- a valid email address
- the information contained on your visa
- your address in France
- a valid credit card to pay the €50 tax stamp

If you decide to continue your studies at Excelia beyond the year specified on your visa, you will need to apply online for a residence permit (*titre de séjour*).

If you have any questions about residence permits, please contact Mathilda ANTON JEYAKUMAR (see page 5).

CVEC FEE

CVEC (Contribution de Vie Étudiante et de Campus) is a financial contribution to student and campus life,

and all students enrolled in higher education are required to pay this fee each year. For the 2024-2025 academic year, the fee is €103. To pay the fee, go to the following website: **cvec.etudiant.gouv.fr**

(in the top right-hand corner, you will find an English version of the page). To finalise your registration, you will be asked to provide proof of your CVEC payment. However, students on an academic exchange, refugees, and asylum seekers DO NOT HAVE TO PAY the CVEC fee.

WORKING IN FRANCE AS A FOREIGN STUDENT

Students with a VLS-TS visa are authorised to work in France for up to 60% of the legal working week, without having to apply for a work permit. This equates to 964 hours per year. In addition, with this visa, you can travel within the European Union for a maximum of 90 days during your stay.

NOTE: If you want to carry out a work placement (of more than 90 days) in a European Union member country, you will need to apply for a visa from the relevant consular authority.

TO EXTEND YOUR RIGHT TO STAY IN FRANCE AS A STUDENT

If you decide to continue your studies at Excelia beyond the year specified on your visa, you will need to apply for a **residence permit** 3 months before your long-stay student visa expires.

Residence permit renewals are also done online via the same website:

administration-etrangers-en-france.interieur.gouv.fr

For any questions or help, please contact

Mathilda ANTON JEYAKUMAR:
antonjeyakumarm@excelia-group.com

GOOD TO KNOW

The majority of you will arrive in France at one of the capital's main airports: *Roissy Charles de Gaulle* or *Orly*. From these airports, you can take public transport to wherever you are staying.

For more information about the airports and their services: **parisaeroport.fr** or **use the Paris airport App.**

SECURITY DEPOSIT

As a rule, this amounts to 1 or 2 months' rent, paid as a guarantee in case of damage. If there is no damage, after the outgoing inventory of fixtures and fittings, the deposit will be returned in full within a maximum period of 2 months.

BEFORE MOVING INTO YOUR ACCOMMODATION

1. You must sign a **rental agreement**.
2. You need to take out **home insurance**; you can organise this through any bank or insurance company.
3. On the day you receive the keys, make sure you carry out an **incoming inventory of fixtures and fittings** with the owner: both parties need to sign this document.

BEFORE LEAVING YOUR ACCOMMODATION

1. **At least 1 month before your departure:** you need to send a notice of departure as a signed-for registered letter to both the property owner and your insurance company.
2. **Two weeks before your departure:** you need to contact the owner to arrange a time and a date for the outgoing inventory and for returning the keys. Make sure you leave your accommodation in good condition; take a reading of all the meters (electricity, gas and water) and arrange to have the supply cut off.
3. **On the day of your departure:** you need to sign the outgoing inventory and return the keys.
4. **Within two months of your departure:** the owner must return your security deposit in full if no damage was noted on the outgoing inventory, or in part if damage was noted. The owner must justify any expenses incurred for repairing the damage.

OTHER INFORMATION

HOME INSURANCE

This insurance is compulsory. It covers any damage (water, fire, etc.) to your property and to any other property. It can be taken out via an insurance company, a bank or through a student mutual fund (known as a *mutuelle*).

- you are an EU citizen or hold either a VLS-TS visa or a French residence permit
- you are staying in France for at least 10 months i.e. a full academic year (as it takes a very long time to process applications and receive benefits)

Documents required for housing allowance applications

- **Details of your bank account in France**, known as your *relevé d'identité bancaire (RIB)*
- A copy of your **birth certificate** in English or in French
- Proof of enrolment, known as a **certificat de scolarité**

PLUS...

- **For EU citizens:** a copy of your European Health Insurance Card
- **For non-EU citizens:** a copy of your visa and proof of validation of your visa or a copy of your residence permit, and a copy of proof of French Social Security cover with your Social Security number on it

To apply for housing allowance, go to: **caf.fr**

If you need help with your application or have any questions, please contact the team at the International Office.

EQUIPPING YOUR ACCOMMODATION

THE CROUS

CROUS is a government agency that manages university catering (known as *Restaurants Universitaires - RU*), student accommodation, and grants.

For more info: **messervices.etudiant.gouv.fr**

CROUS accommodation: Excelia has a partnership agreement with the CROUS. For more information, contact **Mathilda ANTON JEYAKUMAR**: antonjeyakumarm@excelia-group.com

If you prefer, you can contact the CROUS directly via their website: **Crous Paris - logement (crous-paris.fr)**

CROUS catering: To eat in a CROUS university restaurant, you need an IZLY account. This is an online payment system. You credit your account with money and then use IZLY to pay for your food. All students who have a CVEC receipt will automatically **receive an email from IZLY** to activate their user account. **Exchange students (who do not pay the CVEC fee)**, need to contact the International Office to create an IZLY account.

You will need to install the IZLY application on your smartphone to pay for your meals... it's very easy to do!

ELECTRICITY AND GAS

For most rentals, water is already included in the rent. However, for electricity and gas, you will need to sign a contract with the relevant providers.

For an electricity/gas contract, you will need to provide:

- the number that appears on your electricity counter and the name of the previous occupant (ask your property owner for this information)
- your RIB if you intend paying by direct debit

ENGIE (electricity and gas supplier)

Tel: +33 (0) 9 69 39 99 93

Website: particuliers.engie.fr

INTERNET AND TELEPHONE

There are many operators and providers offering different Internet and phone packages (limited and unlimited packages with international options).

Telephone operator stores near Cachan:

94110 Arcueil

SFR

1 pl. de la Vache Noire

It is easier and less expensive to only take out a mobile phone subscription that includes a strong 4G connection. You can then share your phone's Wi-Fi with your computer to connect to the Internet.

THE ESSENTIALS

HEALTH

INSURANCE

European Health Insurance Card (EHIC)

Students from the EU, the EEA, and Switzerland need to apply for a EHIC **BEFORE** leaving their home country, and bring it with them, making sure that it is valid for the entire duration of their stay in France.

Health Insurance

All French and all international students are covered by the general social security system in France. It is free of charge.

To register, go to: etudiant-etranger.ameli.fr

This health insurance plan **DOES NOT APPLY** to:

- EU, EEA, and Swiss students, who should already have a European Health Insurance Card (EHIC)
- students from Quebec, who should have an SE 401-Q-106 form
- students who are staying for less than 3 months and who must therefore organise personal health insurance either in their home country or in France

GOOD TO KNOW

The Student Health Service (Service de Santé des Étudiants - SSE) offers health advice free of charge, upon presentation of your student card. This service is available throughout the year and is totally confidential. The SSE will be happy to answer your questions and help with any difficulties you may have.

HOW THE FRENCH HEALTH SYSTEM WORKS

Medical consultations

When going to the doctor's, in order to be reimbursed, you must present either your **Carte Vitale** health card (or the letter proving you are registered with the CPAM) or your European Health Insurance Card. Social Security will reimburse you 70% of a doctor's consultation fee. You are responsible for the remaining 30%. You can choose to take out additional health insurance (often referred to as a *complémentaire* or *mutuelle*) that will cover the remaining amount. We strongly recommend that you take out a basic additional health insurance contract (known as a *contrat de base*), which will provide you with 100% cover in the case of hospitalisation.

For more info: smerra.fr

To book medical appointments online go to Doctolib: doctolib.fr

HOSPITAL STAYS

If you have to be admitted to a hospital in France, it can be very expensive. On average, a day in hospital costs €1,000. Depending on the type of care needed, the French Social Security will reimburse 70% of this amount, i.e. €700. If you do not have additional health insurance, you will have to pay the remaining €300 per day. However, if you take out a basic additional health insurance contract (*contrat de base*), which costs approx. €5 per month, you will be reimbursed 100% in the event of a hospital stay.

BUYING MEDICATION

Medication is sold in pharmacies. Certain products require a doctor's prescription in order for the medication to be dispensed and for you to be reimbursed. Pharmacies are open from Monday to Saturday, usually from 9 am to 7 pm. Outside of these hours (nights and weekends), certain pharmacies remain open. Details of these out-of-hours pharmacies are posted on the door of all pharmacies in the city.

Medical services in Paris-Cachan

For the moment, we do not have our own infirmary on the Paris campus. In Cachan, however, the Georges Grün health clinic offers medical services. Patients can see a doctor or book appointments for health specialists, as well as see nurses, dentists, orthodontists, and physiotherapists.

To see a doctor or a specialist, you can...

- call the clinic direct: +33 (0) 1 49 69 61 40
- book an appointment on the Doctolib platform (you will need to create an account) - they will send you a reminder by text message 24 hours before your appointment
