

A PRACTICAL GUIDE FOR FINDING ACCOMMODATION

FOR INTERNATIONAL STUDENTS ON ALL EXCELIA CAMPUSES

Looking for accommodation can often be very time-consuming. To make things easier, Excelia provides students with access to a comprehensive accommodation platform, developed by its partner 'Studapart'. It is an easy to use and secure site detailing a variety of offers. When reserving accommodation you will need to provide a guarantor in France. If you are unable to do this, you can take out the 'Studapart guarantee' against unpaid rent.

To access the site, visit excelia-group.studapart.com/en/

> Then create your account using your personal email address and the password HOUSINGEXCELIA

If you need more information, you can email the Studapart team: booking@studapart.com

START LOOKING AS EARLY AS POSSIBLE!

Don't wait until you are in France to start your search for accommodation. The rental market for students can be quite difficult... the longer you wait, the more likely you are to have problems finding accommodation.
